ZIP HOODIE

M **TM18141** (S-2XL)
W **TM98141** (XS-XL)

Basics never go out of style. The tentree® Space Dye Zip Hoodie is made from a super soft and sustainable blend of organic cotton and recycled polyester that you'll find yourself reaching for again and again. It has front kangaroo pockets and a hood featuring tentree's trademark eco-friendly cork drawstring grabs. The men's styling also features a cork zipper pull. It also includes a rib-knit hem and cuffs for a comfier fit, and the women's styling has shaped seams and a tapered waist to make it even more flattering. Best of all: Every purchase plants 10 trees, and with a trackable tree code on each hangtag, you can see the good you're doing in real time.

FABRIC

Light space dye [888]: 60% Organic cotton/40% Recycled polyester textured fleece with brushed back, 300g/m² [8.9oz/lyd²].
