ECO JACKET

M **TM12727** (S - 3XL)

W **TM92727** (XS - 2XL)

What's stylish, practical and made from 100% recycled polyester? That's the Morgan Eco Jacket. And with fully recycled fabric and zipper certified by the Global Recycled Standard (GRS), it's as eco-friendly as they come. It has a PFC-free water-resistant coating, which means no perfluorinated chemicals were used to treat the garment. It also features articulated elbows and ergonomic sleeves for a better fit – plus partially elasticized cuffs and an elastic drawcord at the hem with an interior cordlock for a customized fit. It even has a back vent for added breathability. As a bonus, it comes in a fully biodegradable polybag! And through a partnership with 1% For The Planet, one percent of sales are donated to environmental nonprofits.
