ECO SOFTSHELL JACKET

M **TM12941** (S - 3XL)

W **TM92941** (XS - 2XL)

Rain is no match for the Roots73™ Napanee Eco Softshell Jacket. Made with REPVE® recycled polyester certified by the Global Recycled Standard (GRS) and featuring a breathable, waterproof membrane, this eco-friendly, critically seam-sealed softshell is a must-have for rainy weather. And with a PFC-free water-resistant coating, which means no perfluorinated chemicals were used to treat the garment, it delivers extra weather protection to keep you dry all day. The built-in back vent adds extra breathability. This versatile softshell jacket also features a detachable snap-off contour hood with elastic drawcord exterior cordlocks – all made with recycled materials. It features zippered pockets to keep valuables safe. It even features adjustable snap cuffs, articulated elbows and ergonomic sleeves for a better fit. As a bonus, it comes in a fully biodegradable polybag! One percent of all Eco sales are donated to environmental nonprofits through a partnership with 1% For The Planet.
