## ECO SHORT SLEEVE POLO

M **TM16314** ( S - 5XL )

W **TM96314** ( XS - 3XL )

Meet your new favorite polo. The SOMOTO Eco Short Sleeve Polo looks as good in the board room as it does on the golf course – and yep, it's eco-friendly, too! Its super-soft fabric is made from a comfy recycled poly cotton blend. It provides UV sun protection, making it a great option for the outdoors. There are a few key differences between the men's and women's stylings: the men's features a classic three-button placket with dyed-to-match recycled buttons, and the women's features a johnny collar with a buttonless placket, plus a dropped back hem and shaped seams and a tapered waist for an extra flattering fit. Both the men's and the women's styling feature v-notch side slits for mobility. It's made from the same eco-friendly fabric as our SOMOTO Eco Short Sleeve Tee and SOMOTO Eco Short Sleeve Henley. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
