ECO SHORT SLEEVE HENLEY

M **TM17880** (S-3XL)

The SOMOTO Eco Short Sleeve Henley has it all: classic styling, comfort – and yep, it's eco-friendly, too! Its super-soft fabric is made from a comfy recycled poly cotton blend, and the dyed-to-match buttons are also recycled. It provides UV sun protection, making it a great option for the outdoors. It features a classic crew neck, self-fabric cuffs and a three-button placket. It's made from the same eco-friendly fabric as our SOMOTO Eco Short Sleeve Polo and SOMOTO Eco Short Sleeve Tee. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
