Made with a cozy blend of recycled polyester, eco-friendly TENCEL™ and organic cotton, the men's TreeBlend Classic T-Shirt and women's TreeBlend V-Neck T-Shirt from tentree® are as comfy as they are sustainable. The men's styling features a classic crew neck, and the women's features a v-neck and shirrtail hem, plus shaped seams and a tapered waist to deliver a flattering fit. And with an on-trend heathered pattern, this versatile tee is the type you can wear every day, either by itself or as a cozy layer underneath a jacket. Best of all: Every purchase plants 10 trees, and with a trackable tree code on each hangtag, you can see the good you're doing in real time.
