ECO KNIT FULL ZIP

M **TM18161** (S - 5XL)

W **TM98161** (XS - 3XL)

The Merritt Eco Knit Full Zip is proof that standout style can be sustainable, too. Made with bluesign® - approved facility, 100% recycled polyester fleece and featuring a recycled zipper - all certified by the Global Recycled Standard (GRS) - this cozy full zip is as eco-friendly as it is comfy. The super-soft fabric is wicking and breathable to keep you dry all day, and it even offers UPF 40+ sun protection, making it perfect for the outdoors. Even better, it features a DuPont™ Teflon® finish, which resists stains and keeps fabrics looking new for longer - making it a great option as a uniform piece! It has a droptail hem for extra coverage. On top of all that, it's snag- and static-resistant, so it'll look great even after tons of washes. As a bonus, it comes in a fully biodegradable polybag! One percent of all Eco sales are donated to environmental nonprofits through a partnership with 1% For The Planet.
