The tentree EcoLoft Full Zip & Zip Jacket combines superior style with sustainability. Made with recycled polyester sherpa fleece, this super-soft zip jacket is as comfy as it gets. The zippers are made from recycled content, and the cork zipper pulls, earns it extra style points. Best of all: Every purchase plants 10 trees, and with a trackable tree code on each hangtag, you can see the good you're doing in real time! And through a partnership with 1% For The Planet, one percent of sales are donated to environmental nonprofits.
