The stylish, versatile Zermatt 3-in-1 Jacket will keep you ready for any weather with a critically seam-sealed outer softshell jacket that's both waterproof and breathable. Its detachable, eco-friendly inner liner is made with 30% recycled polyester sherpa fleece to keep you comfy all day and can be worn on its own or layered with the outer shell for extra warmth and protection. The detachable snap-off hood is there when you need it, and the jacket's zipper pull doubles as a whistle. Features like adjustable cuff tabs, elastic drawcords and cordlocks keep cold air out. Articulated elbows and ergonomic sleeves let you move your arms freely.
