ECO JACKET

M **TM12720** (S-3XL)

W **TM92720** (XS-2XL)

The stylish, sustainable HARDY Eco Jacket is the perfect transitional jacket. Its breathable fabric and lining are made from recycled polyester, and its zipper and pinch label are also made from recycled content, making it a comfy, eco-friendly piece you can feel good about wearing. It has a water-resistant coating that provides lightweight weather protection, plus upper patch pockets and lower welt pockets to store valuables. Features like one-button cuffs and a dropped back hem help keep cold air out, and a back vent makes it extra breathable for maximum comfort. The women's style has a waist drawstring with interior cordlocks to deliver a flattering fit and features a mid length for extra protection. With style that looks great anywhere, this versatile jacket will become your new favorite for year-round use. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
