The ARGUS Eco Fleece Full Zip combines classic styling with unbelievable comfort. With super-soft fleece made from recycled polyester and sustainable cotton certified by the Better Cotton Initiative (BCI), plus a recycled pinch label and eco knit tape, it's a lightweight layer you can feel good about wearing all year round. It has two lower welt pockets, plus an interior media pocket for your phone. It also features a rib-knit hem and cuffs for a comfier fit, and the women's styling has shaped seams and a tapered waist to make it even more flattering. And with style that looks great in the office or out for drinks, it's the perfect workleisure piece. It's made with the same cozy, eco-friendly fabric as our ARGUS Eco Fleece Hoody. Through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
