KNIT QUARTER ZIP - WOMEN'S

W **TM98168** (XS - XL)

Say hello to the ultra-comfy women's tentree® Stretch Knit Quarter Zip. Made with an eco-friendly blend of recycled polyester and Creora® Regen recycled spandex certified by the Global Recycled Standard (GRS) – not to mention a super-soft peached finish – it's as sustainable as it is stylish. Even the zipper is made from recycled content! This comfy hooded quarter zip also features lower pockets for your phone and other valuables. Rib knit cuffs and hem help to deliver a better fit, and coverstitch details earn it extra style points. Best of all: Every purchase plants 10 trees, and with a trackable tree code on each hangtag, you can see the good you're doing in real time! And through a partnership with 1% For The Planet, one percent of sales are donated to environmental nonprofits.
