Meet the LAVAR Eco Knit Hoody, a buttery soft pullover hoody with classic, casual styling you can wear to work, the grocery store or anywhere in between, making it the ultimate athleisure piece. It's made from a super comfy, recycled polyblend jersey knit fabric with a peached finish, plus a recycled pinch label and eco knit tape, making it a cozy lightweight layer you can feel good about wearing all year round. Its fabric is breathable and moisture-wicking. (It's even anti-pill, so it looks new wear after wear.) It has a front kangaroo pocket, plus an interior media pocket for your phone, only women's style has thumb exits for easy layering. The women's styling features shaped seams and tapered waist to deliver a flattering fit. It's made from the same eco-friendly fabric as our LAVAR Eco Knit Full Zip Hoody. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
