MEN'S ECO KNIT QUARTER ZIP

WOMEN'S ECO KNIT HALF ZIP

M **TM18310** (S-3XL)

W **TM98310** (XS-2XL)

The ASGARD Eco Knit Quarter Zip is as stylish as it is sustainable. The pattern on the outside gives it a textured style that looks as good as it feels. Made from a cozy recycled poly blend, not to mention a zipper made from recycled content, the Asgard is breathable and moisture-wicking to keep you comfy all day. (It's even anti-pill, so it looks new wear after wear.) In addition to looking great, this versatile half zip also provides UV sun protection, making it a great lightweight option for the outdoors - as well as a nice extra layer for chilly offices. The women's styling features a half zip placket, a longer length and side slits, plus shaped seams and tapered waist to deliver a flattering fit. It's made from the same eco-friendly fabric as our ASGARD Eco Knit Jacket. And through a partnership with 1% For The Planet, one percent of sales of all Eco products are donated to environmental nonprofits.
