The women's Silverton Long Packable Insulated Jacket combines a trendy retail look with lightweight warmth and lots of interesting features, starting with an LED zipper pull. It's also got an ECHOHEAT lining and water-repellent finish for comfort in cold, damp weather. The 3/4 length and elasticized cuffs help keep cold air out. The shaped seams and tapered waist deliver a better fit. And when you don't need it, you can pack it up and stow it away in a stuff sack built into the left pocket.
