FEATURES & BENEFITS

Wireless Bluetooth® 5.3 Streaming

Advanced Bluetooth® 5.3 chip, ensures stable transmission up to 33 ft (10m) long range.

IPX7 Waterproof

Fully waterproof design means this Bluetooth® speaker is able to withstand full immersion down to 3 feet for up to 30 minutes. It is a perfect indoor or outdoor everyday speaker.

Supreme Sound

Exceptional sound quality with powerful bass even at home, the park, or on the beach.

Acoustically Transparent Waterproof Fabric

The waterproof woven fabric mesh is engineered to allow the maximum range of audio waves to pass through, so your speaker can sound as great as it looks!

Dual Passive Radiators

Two custom passive radiators resonate in perfect harmony, creating a powerful bass punch wherever the music goes!

Connect to Multiple Source Devices

Connect to two devices at once and easily switch between the audio source with a click of the BT button.

True Wireless Stereo

Create an immersive stereo sound experience by connecting two Terrain™ speakers to each other wirelessly!

SKDY Multi-Link™

Wirelessly connect up to 99 SKDY speakers for a party that will rattle your bones!
