Find Your Misplaced Things

Use the app to ring your Chipolo device, with a very loud sound you will be able to hear it even when it is buried under a pile of clothes.

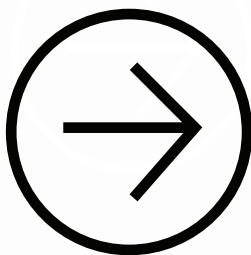

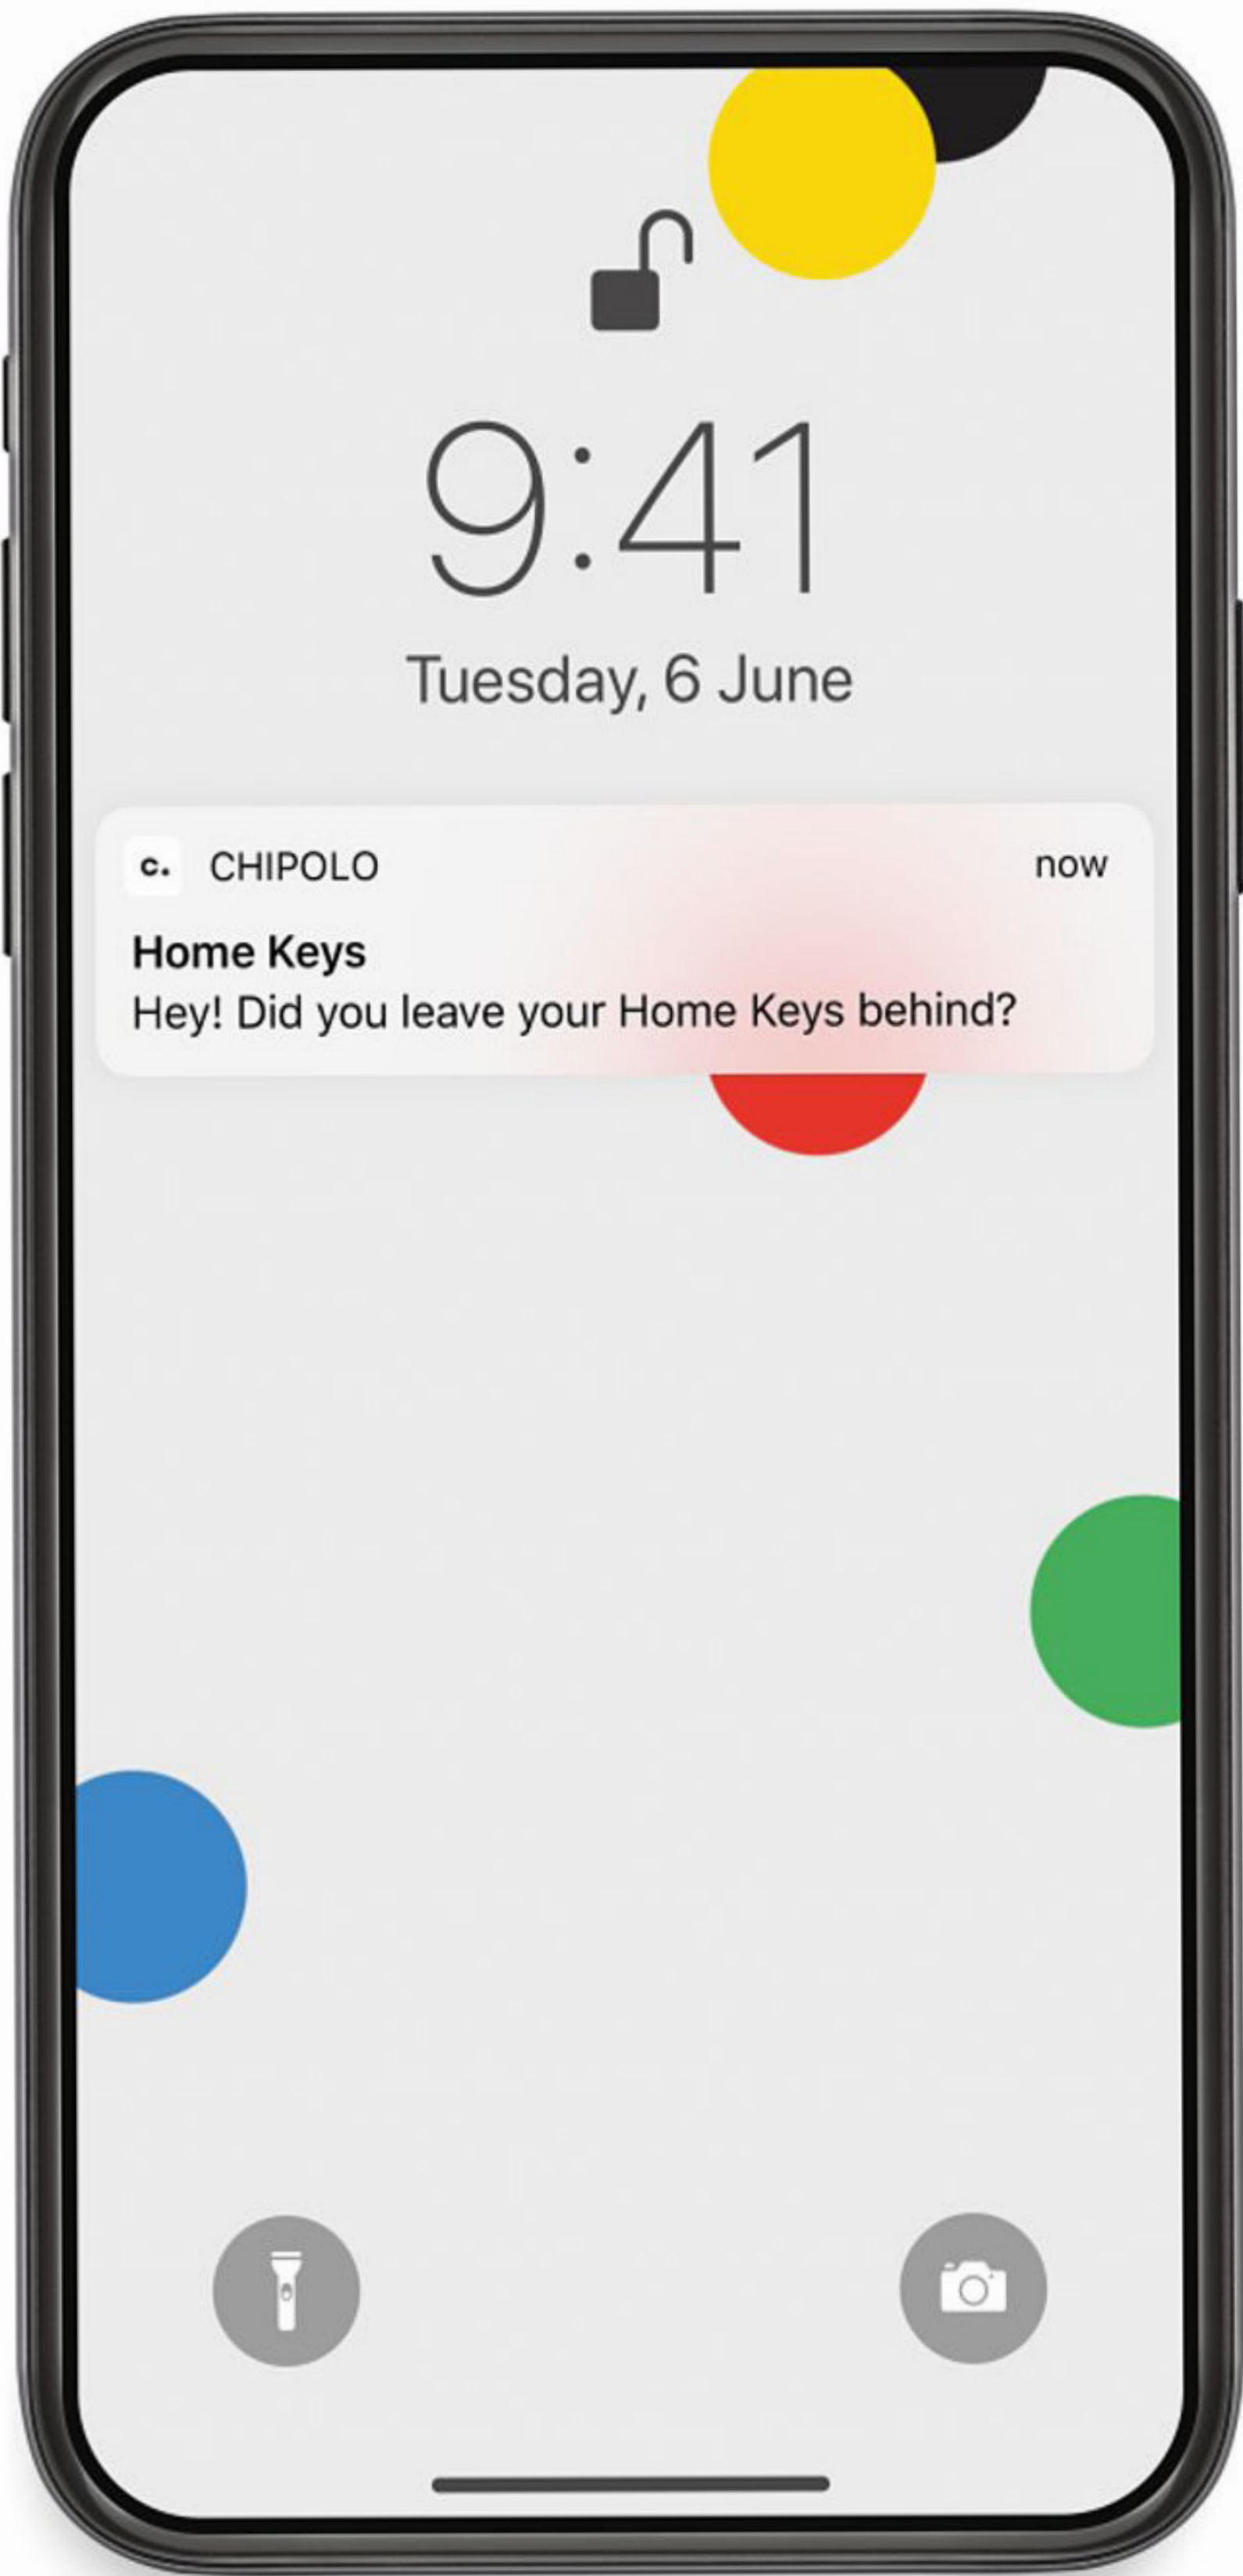

Ring Your Phone

Double press your Chipolo to ring your phone.
Even if it's on silent.

Get a Reminder

You'll get a notification from the app if you leave your Chipolo behind. If you miss your notification, you can track your item to where you had it last via the Chipolo app.

Long Battery Life

Get up to 2 years of finding power on a single battery. The battery is also replaceable — quick and easy to swap.
