Maximize Your Space

Durable compression zipper eliminates excess air between clothes to maximize packing space and the set is sized to perfectly fit most carry-on luggage with some room left over for other things.

Durable Materials

These cubes use ripstop nylon which is water-repellent and will withstand years of use, and premium YKK zippers for added durability.

Responsibly Sourced

These packing cubes are made with durable, bluesign® approved 100D ripstop nylon material that minimizes impact on the environment.
