PortaBoom Water-Resistant Bluetooth Speaker

Instruction Manual

Whats Included:

- 1x PortaBoom Water-Resistant Bluetooth Speaker
- 1x USB A to Type C Charging Cable

Functions:

1. Multifunction Button
2. Vol-/Previous Track Button
3. Play/Pause Button
4. Vol+/Next Track Button
5. Type C Charging Port
6. LED Indicator
7. Microphone

Tech Specifications:

1. Bluetooth Version: 5.4
2. Pairing Name: **"PortaBoom Speaker"**
3. Charging Time: 2 hours
4. Playing Time at Max Volume: 5 hours
5. Waterproof Rating: IPX4
6. Battery Capacity: 3.7V/500mAh
7. Charging Input: DC 5V/500mAh
8. Speaker Output: 3W

Instructions:

(Be sure to fully charge the speaker before using for the first time)

1. Charging the Speaker:

- Connect the provided charging cable to a power source and to the Type-C input port(5) on the speaker.
- The charging LED indicator(6) will glow RED when charging, and will turn OFF when fully charged.
- When the speaker is low on power, a tone will be heard indicating that it needs to be recharged.

2. Bluetooth® Setup:

- Press and hold the multifunction button(1) to turn ON the speaker, the LED indicator(6) will flash BLUE and speaker will tone when in bluetooth standby mode.
- Enable Bluetooth on your mobile device and select **"PortaBoom Speaker"** pairing name.
- Speaker will tone and LED indicator(6) will glow BLUE if successfully paired.
- Speaker will automatically pair if the mobile device has been paired before.

- Press and hold the multifunction button(1) to turn OFF the speaker

**** If the speaker isn't connected to Bluetooth it will automatically power off after 5 minutes.**

3. Music Controls:

- Press multifunction button(1) to pause music and again to resume.
- Short press Volume+/Next Track(4) to increase volume or long press to skip to the next track.
- Short press Volume-/Previous Track(2) to decrease volume or long press to skip to the previous track.

4. Calling:

- Press the multifunction button(1) to answer or end a call.
- Long press the multifunction button(1) to reject a call.

Safety Precautions:

WARNING-When using this product, basic precautions should always be followed:

1. Read all the instructions before use.
2. Never store or use this product in temperatures below 32°F (0°C) or above 115°F (45°C).
3. The device will only achieve full performance after 2 or 3 completed charge and discharge cycles.
4. To reduce the risk of injury, close supervision is required when the product is used near children.
5. Do not expose the device to moisture.
6. Do not use the device in excess of its output rating.
7. Overloaded outputs above the rating may result in a risk of fire or injury.
8. Do not use the device if damaged or modified.
9. Damaged or modified batteries may exhibit unpredictable behaviour resulting in fire, explosion or risk of injury.
10. Do not disassemble the device. For repairs, seek a qualified service professional. Incorrect reassembly may result in a risk of fire or injury.
11. Do not expose the device to fire or excessive temperatures. Exposure to fire or temperatures above 104°F (40°C) may cause an explosion.
12. To ensure product safety, ensure that qualified service professionals only use identical replacement parts.

FCC Statement:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
2. This device must accept any interference received, including interference that may cause undesired operation.

Warning:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note:

This equipment has been tested and found to comply with the limits for a Class B digital device pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

FCC Radiation Exposure Statement:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

IC Statement:

- This device contains licence-exempt transmitter (s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. (1) This device may not cause interference.
2. (2) This device must accept any interference, including interference that may cause undesired operation of the device.

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes :

1. (1) L' appareil ne doit pas produire de brouillage;
2. (2) L' appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d' en compromettre le fonctionnement.

Radio Frequency Exposure Statement for IC:

This equipment complies with IC exposure limits set forth for an uncontrolled environment. This equipment can be used in portable exposure conditions.

Déclaration d'exposition aux radiofréquences pour IC:

Cet équipement est conforme aux limites d'exposition IC établies pour un environnement non contrôlé. Cet équipement peut être utilisé dans des conditions d'exposition portables.

CAN ICES-3 (B) / NMB-3 (B)

This Class B digital apparatus complies with Canadian ICES-003.

(Cet appareil numérique de la Classe B conforme à la norme NMB-003 du Canada).
